- ✓ PAINTERS & CLAY MASTERS

Summer is an opportunity to continue your child's learning during a time when they are the most relaxed. It is widely documented that without structured learning, children are likely to lose 1 to 3 months of reading and math skills over summer vacation; this is commonly referred to as the "summer slide." Cure the Summer Slide with our summer enrichment camp, including offsite field trips.

Contact us for more information, to enroll or to sponsor a summer camper. The cost is \$200 per camper.
